What did Jesus Say?

In One Accord?

As Pentecost presents itself again, I am remembering words from the Scriptures' description of that day. Acts 2:1, "*And when the day of Pentecost was fully come, they were all with one accord in one place.*"

It is pretty obvious today that the "church" is not "In one accord".

What role have we played in this?

I encourage you to start your preparation for Pentecost with some red words:

Mark 9:38-40, "*And John answered him, saying, Master, we saw one casting out devils in thy name, and he followeth not us: and we forbid him, because he followeth not us. But Jesus said, Forbid him not: for there is no man which shall do a miracle in my name, that can lightly speak evil of me. For he that is not against us is on our part.*"

TRI Project Days - May 24 & May 25

If you want to come early for Pentecost, we've scheduled TRI Project days on May 24th & May 25th because we're *already* thinking about the 6019 Feast of Tabernacles (projected to be Sept. 24 to Oct. 1)!

The TRI Project Foreman (Duncan) and "The Boss" (Don) recently started the groundwork which is required to have a fully functioning Bunkhouse at the TRI Headquarters. The bunkhouse has 2 baths and 4 individual rooms which will sleep 2-4 each. Another part of the ministry for these days is facility and grounds maintenance. Fellowship, food and fun is also planned!

The TRI "Garden of Eden" is in bloom!

Pansies, petunias, and marigolds brighten the garden in hanging baskets and around the in-ground fish pond. It gives me joy to have *green* - in the greenhouse! This project was set aside in recent months due to my health issues and pressing ministry matters. It is so encouraging to see sprouts springing out of the dark soil of the raised beds.

Radishes, onions, turnips and potatoes have come up! The fish for the aquaponics portion of the garden should arrive this week. I can't wait to share this progress with the ThINKers who will visit TRI later this month.

There's also a space reserved in the garden for quiet meditation (*the bubbling water of the pond splashes happily in the background*) and friends can share a cup of coffee.
