What did Jesus Say?

Think Red Ink Ministries News & Happenings

...On occasion, I stand among a congregation and hear the old hymns that I grew up on and I cannot even sing for the lump that climbs into my throat. The tears of joy mix thoroughly with the sadness of thinking about how it used to be...

My thoughts drift to the writers of the hymns and the fact that they likely never knew the truth of the Commandments or became enlightened about the Hebrew heritage of their faith or experienced the revelations YHVH had in store for their next generation.

There was a time when the Gospel changed men and women. There was a time when the name of Jesus (no matter how it was spoken, spelled or understood) could take a crushed and broken life and make it new again.

Have these days ended? Has YHVH rejected His people? Must we now pronounce His name differently in order to get His attention or experience His life-changing grace?

In One Accord? (Part 2)

Just how are we to deal with our new-found faith?

There are soul-threatening dangers to avoid... teachers are literally extracting the Grace shed abroad in the hearts of some who have decided to embrace the Hebrew Messiah. Just who and what was Paul talking about?:

"Neither give heed to fables and endless genealogies, which minister questions, rather than godly edifying which is in faith: so do. Now the end of the commandment is charity out of a pure heart, and of a good conscience, and of faith unfeigned: From which some having swerved have turned aside unto vain jangling; Desiring to be teachers of the law; understanding neither what they say, nor whereof they affirm."

Our story continues...

On hot dry feet, walking toward Galilee, James and John mumble to themselves, "Bunch a' heathen! Messiah Himself said that they don't even know who they worship!"

James and John were a little sore because they had been shunned by the religious leaders in Samaria. Once Jesus had established Himself as a prophet to the woman at the well, she began asking Him questions... theological questions about just how and where the Lord YHVH wanted us to hold the Feast of Tabernacles. It had long been established in Samaria that "Thou shalt worship in Mount Garazim."

The Bible records in Luke 9:51-56, "And it came to pass, when the time was come that he should be received up, he stedfastly set his face (made up His mind) to go to Jerusalem [for the Feast]..."

Yeshua had sent messengers into the Samaritan village "to make ready for him." Luke continues, "And they did not receive him, because [was going] to Jerusalem [for Feast]."

These events bring us back to poor, miserable James and John - thrown out of a land full of misfits. I defer to Luke, "And when his disciples James and John saw this, they said, Lord, wilt thou that we command fire to come down from heaven, and consume them, even as Elias did?"

"Yeah! That'll teach 'em!"

How did the Lord Jesus answer? Do you remember?

But he turned, and rebuked them, and said, **Ye know not what manner of spirit ye are of. For the Son of man is not come to destroy men's lives, but to save them. And they went to another village."**

TRI Thinker's Thoughts...

"Are you thinking what I'm thinking?"

"No. I'm thinking something else." Such is the plight of those who consider and live by what Jesus said (*printed in red ink in Red Letter Edition Bibles*). Many of the doctrines and sayings of Jesus are considered to be inconvenient truths and as such are ignored by the modern church. Not so, at TRI Ministries.

What are you thinking? Please send your questions and thoughts. Don (and other *ThiNKers*) enjoy hearing from you!

(Send pictures, too.)

Let your imagination take flight!! These sights are still very much a part of rural South Africa. A day does not go by that I dearly think of you. My old computer literally "packed up" but I am still able to tune in on my cell phone when I have air-time. You're always in my thoughts and prayers! Don, you certainly brought the Scriptures alive for me & others!...

ThiNKers in the TRI Garden of Eden!

"Thanks Don for all you do and for letting us be a part of the ministry of Think Red Ink."

"I'm coming early to Tabernacles, just so we can make sure everything is ready and 'It's the BEST feast ever!'"

"It's so encouraging to be at TRI."

My prayers for your good health. As always thank you for all material you send me. I look forward to growing in YHVH through whatever insight you provide. Again, thank you. Yours in Christ.

TRI Project Day Memories

Thanks to all those who came to TRI Headquarters to accomplish the work needed to advance *the Kingdom*. It is so much fun to have you visit and help in Pie Town! Food adventures (*Thanks, Veronica!*) and fellowship in the studio commons and evening stories in the Greenhouse (*too hot and dry for campfires this time of year*) were enjoyed by all. It is an encouragement to see each of you, to hear of your struggles, your concerns, and your progress. **Think Red Ink!** It's a good life. Thank you! Friendly, Don

The TRI Aquaponics Grow-bed is Brimming with Life!

The tilapia babies have at least doubled from the size shown below. After a time of observation and adjustment for Pie Town water and altitude, the tilapia were transferred to the black tank (center picture below). Water circulates from the fish tank to the grow-bed. Some plants were established, then transferred. Some (*like the small corn in the right edge of the bed*) were planted from seed! In spite of scoffers, I pushed 2 little corn seeds into the ground and "*I know not how...*" but in a few days there was a sprout, then another! It is exciting to see the plants grow.

I'm eating radishes and chives from the root-bed. The potatoes have grown so quickly that some of them have been transplanted to give them more grow room!
