*What did Jesus Say?*

"Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel."  
 ... "Glory to God in the highest, and on earth peace, good will toward men."

## THE FESTIVALS OF YHVH:

For years I fought the secularization of Christmas and Easter, as I wanted them to be celebrated as God intended, as Holy Days not holidays. I insisted that Santa Claus and the Easter bunny be eradicated and that Holidays speak only of Christ. The study into those holidays was enlightening in an unexpected way.

I was surprised to find that the Holy Days God expects us to keep are not celebrated at all (except in a Jewish community).

What's more, I found that the holidays I was trying to protect and restore (Christmas and Easter) were pagan in origin, nature, and form. More yet, I discovered they have no Scriptural basis or mandate, but rather are condemned as abominable and are even referred to as the "way of the heathen."

What a shame that the festivals of God recorded in your Bible have been neglected.

- If you want the richness of heritage, the fullness of prophecy, and satisfaction of obedience, these festivals are unequalled.
- The looking forward to the future and the reflection of the past is found in every one of them.
- The reason they are celebrated is clearly specified and a blessing offered to all that participate; yet they go into obscurity and take a back seat to the pagan rituals wrapped in Christian gossamer.

By neglect we have all lost something very precious.

- What a joy it would be to be asked by the children around us, "Why do we celebrate this every year?" and be able to answer according to truth, point to the Bible for support and say, "Because God Himself has commanded us to do so".
- This is something we cannot do now. Rather, when asked, we must mentally separate for them the "good" from the "bad", and the so-called truth from the lies and try to convince our children that when we speak of Santa Claus, elves, reindeer, and the Easter bunny they are to know it isn't true.
- Then we expect them to trust us when we speak of a man that walks on water and came back from the dead. Some even dread the day when their children are old enough not to believe these lies anymore as if their innocence is tied to believing these tales.
- How old should a child be when he knows that Santa is a lie that you told him? How old will he be when he doesn't believe in God anymore?

This is a mess of our own making and we are in it because we did not follow God's way, rather we chose the way with which we are most comfortable and familiar. His way has been, and yet is, before our eyes in

## Hey, Don...

TEXAS THINKER: Hi, I am looking at your website...and I was wondering what the dates are for the feast this year?

REPLY FROM DON: Thank you. The Day of Trumpets is projected to be the 29th of September. The Feast of Atonement begins at sundown on October 8th – sundown on October 9th. The FEAST OF TABERNACLES will begin at sundown on October 13. The Feasts lasts until the Last Great Day on October 21. I'm sorry to say that Think Red Ink Ministries will not be able to host a Tabernacles Feast this year in Pie Town. My health issues have required a prioritization of things that can be accomplished in the ministry; this year the focus has been on completing the Daily "WORDS OF JESUS SERIES". This show has been on television (KAZQ Channel 32 in Albuquerque) since April 2019. TRI is excited to report this Series will begin on GLC on September 30, 2019. There will be a new daily show on GLC (Monday-Friday) at 10:30 am and 10:30 pm Central time. TRI is also recording his RLE 9:00 am Sunday show on Think Red Ink Ministries YouTube Channel.

KAZQ32 THINKER: I've missed seeing your programming until recently, and I see you're back on 32.1. Good for you. I don't always get the opportunity anymore to be in front of the TV at 3 in the afternoon, but if I can get there, I do. I still enjoy listening to you. ...Again, I hope things are well with you. I always smile when I think of you.

REPLY FROM DON: Glad to have you back. I started the daily series "Words of Jesus" at KAZQ in April 2019. It has been a fun and challenging task. - 260 shows (whew!) – that's a lot o'preaching. Right?! We've had some technical difficulties in the studio but overall I'm pleased with the messages. My health is mostly good... some days are the way one my age must expect. The "Words of Jesus" series will begin on GLC starting Sept. 30, so maybe you can catch the program. It will air at 10:30 am & 10:30 pm CT; a new show each day (Monday-Friday) Perhaps you know, I also started airing the RLE Sunday show LIVE at 9:00 am MT on YouTube. THINK RED INK MINISTRIES now has a call-in line (575) 940-1234 if folks want to ask a question or leave a comment. Keep in touch.

ARIZONA THINKER: Almost a year gone hoping all is well with you. Wondering about Tabernacles 6019? Rolled around pretty fast. Is TRI hosting again this year? Blessings in Yeshua

REPLY FROM DON: Yes...the year has flown by. TRI is not hosting Feast of Tabernacles in Pie Town. Sadly, there is just not enough interest to have a public feast in Pie Town this year. Don's health has been mostly good. Have you been seeing the Red Letter Edition - LIVE! Sunday shows on YouTube? More news, Think Red Ink Ministries entered into a contract with a Christian Television station in Albuquerque in April 2019 for a daily show (260 shows/year) so that has taken a lot of time. There's great news however, the WORDS OF JESUS SERIES, will begin airing on GLC on Sept. 30 (10:30 AM/PM Central - new shows daily). We're pretty excited about that opportunity. GLC has a streaming channel online and a ROKU channel for people outside their transmitter stations. Thanks for checking in.

KAZQ32 THINKER: I would like to have the Messages Don Harris has shared on KAZQ TV 32. Please advise what I need to do to purchase them... I want all of the messages that are available please.

REPLY FROM DON: *[Relax... I don't want to founder anyone.]* Thanks for your interest in the Words of Jesus program. These programs are currently not available for distribution as we are still in production. We will keep your request on file and advise you of future availability. It is not often we hear from the KAZQ audience. How did you come to see these programs? It is encouraging to ministry supporters to hear from you. Are you familiar with Think Red Ink Ministries other outreach programs? Don has a LIVE YouTube program called the Red Letter Edition at 9:00 AM on Sundays. ...Hope you keep in touch.

TEXAS THINKER: Thank you so much for your program on GLC.. I love it. I especially enjoyed your latest on the

EXODUS. Would you be so kind as to send me the expanded version? May GOD Bless & Keep You,

REPLY FROM DON: It's great to hear from another Texas ThINKer! TRI appreciates hearing from you regarding this program, "Think Red Ink" on GLC. If you have correspondence with GLC, I hope you will let them know too. ... Also, your requested DVD, "The Second Exodus" will go out in the mail tomorrow, 8/15/19. We hope you will keep in touch.

TEXAS THINKER: Thank you Mr. Harris. I've received the expanded copy on the EXODUS. I do have a question regarding your programming...did your 30 minute episodes on GLC start over again On Faith? The last most current programming I had watched was on the EXODUS & then the next ones are On faith. Am I confused or What? If this is indeed the case, when then can I see the next season's programming?

REPLY FROM DON: GLC is presently airing the 70+ programs I recorded there in 2008-2010. Many of these programs have not been seen by the current GLC audience. TRI is grateful for the opportunity to broadcast these shows again. That being said, TRI has a new series titled the "Words of Jesus" which has been offered to GLC. If you are a GLC supporter it would be helpful for you to let GLC know you are interested in more programming from Think Red Ink Ministries. Thank you for your contact.
